Alas, the Posh Banger Boys shop has been closed. Their last day was February 6th, 2015, because the long-awaited refurbishment of #8 Stoney Street is beginning! The upper floors will be transformed into flats. [There no longer will be any chance of public access to the Harry Potter window on the fourth floor!] The Market Porter will be expanding into the ground floor space where Posh Banger Boys used to be.

**The Market Porter**
