Portkeys

Updated August, 2014

* While working on the 2nd edition of HPP Book One (? 2015) we discovered new links and info. These Portkeys correspond to the new book's chapter, but will be helpful to Potterites using the 1st edition book. If a 1st edition chapter link is not here, it is no longer an active link.

The Hogwarts Tapestries Supplementum

<http://www.HarryPotterPlaces.com/BookOne/TapestrySupplementum.pdf>

* There used to be a shop in Lavenham called **The Tapestry Gallery** that sold gorgeous, high quality reproductions of the **Hogwarts Tapestries** seen in the Harry Potter movies—which is why we originally wrote this Supplementum. Alas and alack, in 2014 we discovered that the gallery had closed. Because we still find them particularly Potterlicious, we've updated and reposted the Hogwarts Tapestries Supplementum. You'll find links to places where they can be purchased on the last page of the file.

The Crooked House Gallery = Closed

Currently (Aug, 2014), the **Crooked House** is home to **Munnings Tea Room Emporium**, where you can enjoy morning coffee, lunch, or afternoon tea while visiting Lavenham. Named for famed English artist, **Sir Alfred James Munnings**, this Tea Room Emporium sells antiques as well as original items created by local Lavenham artists, such as arts and crafts, pottery, bronze sculptures, portraits and paintings.
