J.K. Rowling's country home in Perthshire

In an effort to protect the Murrays' privacy, we are not providing Google Maps or SatNav/GPS coordinates for the homes where their family currently dwells. It is important that Potterites not invade their privacy, nor threaten the peace and security of their children.

Furthermore, even if you were to discover the address of JKR's Killiechassie House and go there, there is **absolutely *nothing* to see!**
