### 🏠 Check in Cheap: The Glencoe Youth Hostel

The Glencoe Independent Youth Hostel can be booked via the **Scottish Youth Hostels Association**, or its own website. Only a mile northwest from the Clachaig Inn on the *same* single track road, the hostel is less than a 20 minute walk away from the POA Set Sites.

### These are Two Different Hostels!

We apologize to the **Glencoe Independent Hostel** for this error. Our confusion stemmed from the fact that the hostels are next door to each other.

When traveling north on the single-track-road in front of the Clachaig Inn, after passing the lane leading to **Glencoe Cottages**, the SYHA hostel will be on your left. Only 200 feet further north is the lane that leads to the **Glencoe Independent Hostel**.
